

"GIRLS GOING GLOBAL" TRAVEL CLUB

Introduction...

Ladies in our GIRLS GOING GLOBAL TRAVEL CLUB share many common interests...

- ... we are curious about the world, although we don't want to explore it on our own
- ... we enjoy the fun and camaraderie of travelling with other women
- ... some of us have partners who may not have the time or inclination to travel
- ... we want to find a friendly way to save on the single supplement
- ... we might like to make friends with a vacation partner
- ... we enjoy the safety of travelling through unknown territory in the company of friends

Why Join?

GIRLS GOING GLOBAL TRAVEL CLUB provides a no-strings social setting, where you can meet other women, get acquainted and make new friends. We welcome your input and suggestions and want to plan and design our trips together. The gals in the club love to laugh and to travel - and invite you to enjoy yourself just as much as they do.

What We Do...

GIRLS GOING GLOBAL TRAVEL CLUB meets on scheduled occasions such as dinners, spa nights, packing and fashion demonstrations, fundraisers or other special events. We invite speakers to tell you about travel related opportunities or topics specifically relevant to women. We invite you to share and/or promote your business as it relates to women and travel.
